

HRD Postgraduate Programmes in the UK (2015)

1

This database is an output from the UFHRD Programme and Qualifications Committee's Honorarium Project titled 'HRD programme provision in the UK: An audit, review and assessment of implications for the future of HRD'. Please note that:

- The listing is of postgraduate (only) programmes in HRD at UK Higher Education Institutions. **Entries in bold** denote institutions that are current UFHRD members (as reported to UFHRD AGM June 2015).
- 'Programmes in HRD' has been interpreted to include programmes that have HRD in their title; programmes that include HRD components (e.g. pathways or modules); and programmes in the broad field of HRD (such as coaching, leadership, organisation development but not, for example, sports coaching, organisational behaviour or occupation/organisational psychology).
- Programme information is taken from programme web pages as listed and was correct to the best of our knowledge at 2nd – 6th July 2015. UFHRD accepts no responsibility for inaccuracies in or omissions from this database.
- Information about CIPD-accredited programmes from non-HEI providers is available from the CIPD's 'Qualification finder', <http://www.cipd.co.uk/qualification-finder>.
