*UFHRD is an international association for universities, learning organisations and practitioners. It has worldwide, collaborative partnerships. The Forum's mission is to create, develop and inform leading-edge HRD theories and practices by promoting professionally-focused qualifications, co-operative research initiatives, consultancy interventions. UFHRD has a strategic partnership with Academy of Human Resource Development (AHRD) in the USA and with the International Federation of Training and Development Organisations, and is a sponsor of the journal Human Resource Development International (HRDI).*

# UFHRD - The Institution

**The Forum is the founder of the annual UFHRD Conference, now in its 18th year and is co-founder of two international journals. The Forum has three primary committees to help it attain its goals, together with a number of important organisations .**
